Caution Regarding Forward Looking Notes. This document may contain forward-looking statements about the Fund (including its performance, strategies, risks, prospects, condition and actions) and other anticipated future events, results, circumstances and expectations. Speculation or stated beliefs about future events, such as market and economic conditions, security performance or other projections are “forward-looking statements”. Forward-looking statements may include statements that are predictive in nature, depend upon or refer to future events or conditions, or include words such as “may”, “will”, “should”, “expects”, “anticipates”, “intends”, “plans”, “believes”, “estimates”, “predicts”, “suspect”, “potential” or “continue”, “forecast”, “objective”, “preliminary”, “typical”, and other similar expressions. Forward-looking statements are inherently subject to risks, uncertainties and assumptions, including, without limitation, general economic, political and market factors in North America and internationally, interest and foreign exchange rates, the volatility of global equity and capital markets, business competition, technological change, changes in government regulations, changes in tax laws, unexpected judicial or regulatory proceedings, catastrophic events. The foregoing list of important risks that may affect future results is not exhaustive. We caution you that not to place undue reliance on forward-looking statements. Forward-looking statements are not guarantees of future performance, and actual events could differ materially from those expressed or implied in any forward looking statements. All opinions contained in forward-looking statements are subject to change without notice and are provided in good faith but without legal responsibility. There is no specific intention of updating any forward looking statements whether as a result of new information, future events or otherwise.
